

# Jason Mraz - Beauty In Ugly

Tom: **C**

**Am**  
She's so big hearted  
But not so remarkable  
Just an ordinary humble girl  
Expecting nothing as we're made to think  
It's a pretty person's world

**Am**  
But you are beautiful  
And you better go show it  
So go look again  
You gotta be true to your own  
If you really wanna go to the top

Do you really wanna win  
Don't believe in leaving normal  
Just to satisfy demand

(refrão)  
**Am**  
Well if you wanna get free  
And if you wanna do the passionate thing  
And if you wanna get smart  
For the sake of your heart and all  
You should own your name  
And stand up tall and get real  
And see the beauty in ugly

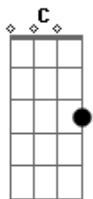

**Am**  
Well you are fresh

Your face is fabulous  
Don't forget you're one of a kind  
When nobody's checking the deeds you've done  
And nobody's hearing your cries  
You make all the fashion statements  
Just by dressing up your mind

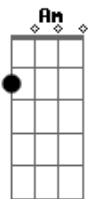

(refrão)  
**Am**  
Well if you wanna get free  
And if you wanna do the passionate thing  
And if you wanna get smart  
For the sake of your heart and all  
You should own your name  
And stand up tall and get real  
And see the beauty in ugly

**Am E7 G D F E7**  
And see the beauty in ugly  
(refrão) (Strumming)

And if you wanna get smart  
For the sake of your heart and all
