                                                               Pulsating to the back beat
                                                               Of the Blitzkrieg Bop
(intro) A D E
       A D E (3x)
       A D A
                                                               Hey let's go
They're forming in a straight line
                                                               Shoot'em in the back now
                                                                     D D
They're going through a tight wind
                                                               And what they want I don't know oh
And the kids are losing their minds
                                                               Oh Oh all reved up
                                                                          E Bm E Bm
The Blitzkrieg Bop
                                                               Bm
                                                               and ready to go
They're piling in the back seat
                                                               yea ready to go
They're generating steam heat
                                                               (Now you will want to go back to playing the A D and E as
                                                               barre chords)
And pulsating to the back beat
                                                               They're forming in straight line
Of the Blitzkrieg Bop
                                                               And going through a tight wind
(at this point you will want to stop playing the {\tt A} {\tt D} and {\tt E} as
                                                               And the kids are losing their minds
barre chords)
