

# Jason Mraz - Coyotes

Tom: **Eb**

(verse 1)

**Cm7**  
I'm Sippin' coffee at a quarter to two.  
**Eb**  
I wake up and i'm dallin' and my minds running to you.  
**Fm**  
No wonder i'm a one woman man.  
**Ab** **G**  
She keeps my heart in a jar on the nightstand.

I should tell her that she couldn't be more,  
opposite then a foot in the door.  
Theres no one else i would rather go out with.  
That's hell when i see them standing there.

Me and my mouth we don't mean to be rushin'.  
we talk about thee freely 'cos we crushin'.  
I want to shake both sides of the butt, yeah  
Theatrically yes, ain't we lucky?

(chorus)

**Fm** **Cm7**  
And when the coyotes they sing in the park.  
**Fm** **Cm7**  
That's when the city lights starts falling for the sea.  
**Fm** **Cm7**  
Winding roads are winding down and the flying men will hit  
the ground.  
**Fm**  
Every motion is closer to touching.  
**G**  
The coyotes sing when they call on your lovin'.

(verse 2)

We're coming back for more  
You know why, we're coming for you  
You know we should be  
We should be together

Cause once we rock, we won't wanna stop  
Not today or tomorrow  
(Not today or tomorrow, oh no)

You better lock your doors  
You know why, cause we want you

Cause we like you alotta

(break) Opera

(verse 3)

I wish the wild was alive like you  
I wish the wind would blow me through  
Another opportunity to approach you  
Another telepathic rendezvous

I wish you well with your weapon of jargon  
You've got a double sided lexicon  
I gotta try to keep your attention

Gotta write using less emoticons  
Gotta figure out the snooze alarm  
I wanna lay in your place 'til dawn  
I wanna play in the park, come on  
Now let me see your other upper echelon

(chorus)

And when the coyotes escape to New York  
Then the city life has crumbled to the sea  
And the girls will fall to the lost and found  
The flying men will hit the ground  
Every notion is closer to touching  
The coyotes sing when they feast on your loving  
I'm a coyote and I got a taste for your loving

(outro)

We're coming back for more  
You know why, we're coming for you  
You know we should be  
We should be together

Because once we rock, we won't wanna stop  
Not today or tomorrow  
(Not today or tomorrow, oh no)

Because once we rock, we won't wanna stop  
Not today or tomorrow

We're coming back for more  
You know why, we're coming for you  
You know we should be  
We should be together

Cause once we rock, we won't wanna stop  
Not today or tomorrow
