

Jason Mraz - Don't Change At All

Tom: C

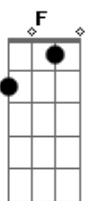

C F
Girls like you are supposed to cry
Dm
To keep the seas from drying up
G
To keep the flowers sprouting year round
C F
And girls like you are the reason why
Dm
Guys like me still like to call themselves
F
Chivalrous and cavaliers
Dm
So don't change at all
G
I am at your call
C F
And I'm not that far from falling in love with who you are
Dm
I could get lost in this
G
Forgetting what caution is
C
I will be your gentleman
C F
And girls like you are a little off
Dm
To keep the rising costs of being normal down
G
So we can afford all these freedoms that we've found
C F
And a girl like you is just a case
Dm
Dressed for space in your giant pair of shades
G
And your best can be worn at any length
Dm
Don't change too much
G
I haven't had quite enough

C F
I wanna get tangled up and sorted out
Dm
I could get lost in this
G
Forgetting what caution is
C
I will be your gentleman
(Dm Fm Dm)
I'll be your gentleman
You don't even know how you struck me, girl
(Dm Fm Dm)
No I'll never back down, nor will I turn around
You give me something more, you give me something more
(C F Dm G)
Dm
So don't change at all
G
I am at your call
CM7
And I'm not that far from falling in love with who you are
Dm

G
Forgetting what caution is
C
I wanna be your gentleman
Dm
So don't change for me
G
You're astonishing
C F
I wanna get tangled up, let's get tangled up
Dm
I could get lost in this
G
Forgetting what caution is
C
I wanna be your gentleman
