

## Jason Mraz - Dynamo Of Volition

```
[Ponte]
                             tom:
                                                                 F<sub>m</sub>7
                                                                 I do not answer the call if
Intro:
                                                                 I do not know who is calling
                                                                 I guess the whole point of it all is
                                                                                         Em7
                                                                 That we never know really
                                                                 I'm tryin' to keep with the Joneses
Verso
             Bm7
                                                                 While waiting for guns and the roses
I've got the dynamo of volition
                                                                                        Aadd9
                                                                 To finish what we all suppose is
With po-pole position
                                                                              Bm7
                                                                 Gonna be that shit was sue me
Automatic transmission with lo-ow emissions
                                                                 Repete as mesmas notas
I'm a brand new addition to the old edition
                                                                 Oh fists knocked, bumpin' in wristlock, twistin' up a Rizla
         Gbm7
With the love unconditional
                                                                 Kid Icarus on the transistor, Nintendo been givin' me the
                                                                 blister
                                                                 I bend over take it in the kisser
                                                                 My best friends are hittin' on my sister
I'm a drama abolitionist
                                                                 Try to tell 'em that they still a wisher
Damn no opposition to my proposition
                                                                 Cause she already got herself a mister
                                                                 And, besides, that's gross to wanna dis her
Half of a man, half magician
                                                                 A|-di-di-di-di-didn't I say, didn't I say.
      Bm7
                                                                 Good job, get 'em up way high, gimme, gimme that high five Good time, get 'em way down low, gimme, gimme that low dough
Half a politician holding the mic
Like ammunition
                                                                 Good god, bring 'em back again and gimme, gimme that high ten
                                                                 You're the best definition of good versus evil
And my vision is as simple as light
                                                                 I do not keep up with statistics I do not sleep without a
                                                                 mistress
There ain't no reason we should be in a fight
                                                                 I do not eat unless it's fixed with some kind of sweet, like a
                                                                 licorice
                                                                 My home is deep inside the mystics I'm known to keep diggin'
Demolition
             Gbm7
                                                                 on existence
Get to vote, get to say what you like
                                                                 I'm holdin' in the heat like a fish stick My phone it beeps
                                                                 because I missed it
Procreation
                                                                 I do not answer the call if I do not know who is calling
  Bm7
Compositions already written by themselves
                                                                 I'm making no sense of it all, say can I get a witness
                                                                 I'm only a boy in a story, just a hallucinatory
Saying heck is for the people not believin' in gosh
                                                                 Trippin' on nothing there is, living in the wilderness
                                                                 With a tiger spot on my back, living life of a cat
[Refrão]
                                                                 I just wanna relax here and write another rap tune
                                                                 Driving off on your blind man's bike You can say just what you
Good Job
                                                                 like
                                                                 Ahh... Nothing can stop you
Get 'em up way high
                                                                 Good job, get 'em up way high, gimme, gimme that high five
     Gbm7
                                                                 Good time, get 'em way down low, gimme, gimme that low dough
Gimme gimme that high five
                                                                 Good god, bring 'em back again and gimme, gimme that high ten
                                                                 You're the best, You're the best, You're the best, You're the
Good time
                                                                 best
Get 'em way down low
                                                                 You're the best, You're the best, You're the best
     Gbm7
Gimme gimme that low dough
                                                                 Good job, get 'em up way high, gimme, gimme that high five
                                                                 Good time, get 'em way down low, gimme, gimme that low dough
      Bm7
                                                                 Good god, bring 'em back again and gimme, gimme that high ten
Good times
                                                                 You're the best definition of good intention
Bring 'em back again
                                                                 You're the best definition of good intention
     Gbm7
                                                                 You're the best definition of good intention
Gimme gimme that high ten
                                                                 You're the best around!
                                   Gbm7 G
        Bm7
You're the best definition of good intentions
