

# Jason Mraz - Frank D Fixer

Tom: G

G Em  
Frank D. Fixer was a handyman  
C G  
He could handle everything; he was my granddad  
G Em  
He grew his own food and fixed his own car  
C G  
I watched it all happen in our backyard  
Am C D G  
He'd reinvent the part to fix the broken home  
Am C  
He restored the heart

Coro:

C D G  
I wish I was a fixer  
C D Em  
I would fix you up inside  
C D G A7  
I would build you a town if the world fell down  
C D G  
I wish I was that guy

G Em  
If Frank D. Fixer were alive today  
C G  
Well he may laugh at me and he may have a lot to say  
G Em

Well he might ask that I keep working for the family  
C G  
To keep the bills all paid and be his protégé  
Am C D G  
What happened to the ground right where we are?  
Am C  
What happened to the family farm?

Coro

C D G  
I wish I was a fixer  
C D Em  
I would fix you up inside  
C D G A7  
I would build you a town if the world fell down  
C D G  
I wish I was that guy

Coro

C D G  
I wish I was a farmer  
C D Em  
I would grow you a Garden of Eden  
C D G A7  
I would bless the family with the gifts that granddad handed me  
C D Em  
How wonderful that would be  
C D G  
Baby I'll make that guy be me

## Acordes
