Jason Mraz - Have It all

```
Tom: Eb
                                                                woah
                                                                        Bm
                                                                                               G
                                                                                                             D
                                                                May the road less paved be the one that you follow, woah
 (forma dos acordes no tom de D )
Capostraste na lª casa
Intro: D Bm G A
                                                                Well, here?s to the hearts that you?re gonna break
May you have auspiciousness and causes of success
                                                                Here?s to the lives that you?re gonna change
                 Bm
May you have the confidence to always do your best
                                                                Here?s to the infinite possible ways to love you
                                                                I want you to have it
                G
May you take no effort in you being generous
Sharing what you can nothing more nothing less
                                                                Here?s to the good times we?re gonna have
                                                                You don?t need money you?ve got a free pass
And may you know the meaning of the word happiness
                                                                Bm
                                                                Here?s to the fact that I?d be sad without you
               Bm
May you always lead with the beating in your chest
                                                                I want you to have it all
And may you be treated like an esteemed guest
                                                                Oh, I want you to have it all
May you get to rest let you catch your breath
                                                                              Bm
                                                                I want you to have it
                                                        D
                                                                              G
May the best of your todays be the worst of your tomorrows,
                                                                I want vou to have it all
woah
        Bm
                               G
May the road less paved be the one that you follow, woah
                                                                All, I want you to have it all
                                                                All you can imagine, oh
Well, here?s to the hearts that you?re gonna break
                                                                No matter what your path is
                                                                D
Here?s to the lives that you?re gonna change
                                                                  If you believe it, then anything could happen
Here?s to the infinite possible ways to love you
                                                                Go go go, raise your glasses
I want you to have it
                                                                Go go go, you can have it
D
Here?s to the good times we?re gonna have
                                                                Oh, I toast you
You don?t need money you?ve got a free pass
                                                                n
Bm
                                                                Here?s to the hearts that you?re gonna break
Here?s to the fact that I?d be sad without you
I want you to have it all
                                                                Here?s to the lives that you?re gonna change
                                                                                                         G
                                                                Here?s to the infinite possible ways to love you
Oh, I want you to have it all
                                                                I want you to have it
              Bm
I want you to have it
                                                                Here?s to the good times we?re gonna have
             G
I want you to have it
                                                                You don?t need money you?ve got a free pass
                                                                Bm
May you be as fascinating as a slap bracelet
                                                                Here?s to the fact that I?d be sad without you
                                                                I want you to have it all
                Bm
May you keep the chaos and the clutter off your desk
                                                                Oh, I want you to have it all
May you have unquestionable health and less stress
                                                                                   Bm
Having no possessions, though immeasurable wealth
                                                                I want you to have it
                                                                              G
                                                                I want you to have it all (I want you to have it)
             D
May you get a gold star on your next test
            Rm
May your educated guesses always be correct
                                                                Here's to the good times we gonna have
                                                                (I want you to have it all)
And may you win prizes shining like diamonds
                                                                Here's to you always making me laugh
               Α
May you really own it each moment to the next
                                                                (I want you to have it all)
                                                                Rm
                                                        D
                                                                Here's to the fact that I'll be sad without you
                                                             Α
May the best of your todays be the worst of your tomorrows,
                                                                (I want you to have it all)
                                                                I want you to have it all
