Jason Mraz - I Never Knew You (I've Never Known You)

Tom: G

D Am Fm On invisible mics, winding to my mind Em F R C Bm Tell me a secret, tell me anything So I would like another look inside you В С Em Bm Em What's your weapon? What's your middle name? Bm Yeah I would love the chance to love you, like I've never F B What do you believe in? What's your animal? known you B Are you a cat or a dog person? (**C**) В F What's your outlook? What's your favourite saying? Em Bm C Maybe your favourite colour is brown B Hey, maybe you laugh, maybe you laugh a lot Em Bm B And maybe your crying and you're not sure why Maybe you started, but you somehow quit the part mm Fm Bm F B Maybe you're living in a whole new town And you may be a hippie and a democrat Em Bm And maybe you're back with your old boyfriend and you're busy В Yeah I remember that, I think going down. В Bm F Em C And you might like wine, but you're not the type who likes to Why make me, forget everything drink Bm Em All my beliefs, are my memories Why make me, forget everything I know? F F G All the episodes of you, especially the ones that hurt B F All my beliefs, replaced by scenarios Am D F E E And the few that made me laugh Of unintelligent life, echoing in stereo Am Am D Well I can't get them back Em On invisible mics, winding to my mind Bm Rm That's why I'm asking for some more of you now So I would like another look inside you Bm Em Yes I would love the chance to love you Bm С So I would like another look inside you E B And I would love to love you! Yeah I would love the chance to love you, like I've never B Why make me, forget everything I know? known you Yeah, maybe you're sleeping on a telephone. В F . В All my beliefs, replaced by scenarios C And maybe you're dreaming of an anglophone with a crooked G F smile Of unintelligent life, echoing in stereo R F D And maybe your profile, posts a brand new nose On invisible mics, winding to my mind С F B Em Bm Fm And maybe your new job, it requires that you cannot wear any So I would like another look inside you clothes Em Bm Em R Yeah I would love the chance to love you, like I've never Why make me, forget everything I know? known you F В Em Bm Fm I would, I would, I would love to look inside of you All my beliefs, replaced by scenarios E E

Of unintelligent life, echoing in stereo
