

# Jason Mraz - I Won't Give Up

Tom: **D**

Intro:

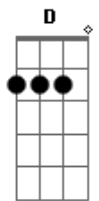

When I look into your eyes  
It's like watching the night sky  
Or a beautiful sunrise  
There's so much they hold  
And just like them old stars  
I see that you've come so far  
To be right where you are  
How old is your soul?  
I won't give up on us  
Even if the skies get rough  
I'm giving you all my love  
I'm still looking up

And when you're needing your space  
To do some navigating  
I'll be here patiently waiting  
To see what you find  
Cause even the stars they burn  
Some even fall to the earth  
We got a lot to learn

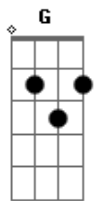

God knows we're worthy  
No I won't give up  
I don't wanna be someone who walks away so easily  
I'm here to stay and make the difference that I can make  
Our differences they do a lot to teach us how to use  
The tools the skills we've got yeah we got a lot at stake  
And in the end you're still my friend at least we didn't tend  
For us to work we didn't break we didn't burn  
We had to learn how to bend without the world caving in  
I had to learn what I got and what I'm not  
And who I am

I won't give up on us  
Even if the skies get rough  
I'm giving you all my love  
I'm still looking up  
I'm still looking up  
I won't give up on us  
God knows I'm tough he knows  
We got a lot to learn  
God knows we're worthy  
I won't give up on us  
Even if the skies get rough  
I'm giving you all my love  
I'm still looking up
