

Jason Mraz - I Won't Give Up

Tom: **D**

Intro:

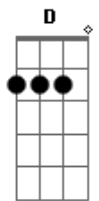

When I look into your eyes
It's like watching the night sky
Or a beautiful sunrise
There's so much they hold
And just like them old stars
I see that you've come so far
To be right where you are
How old is your soul?
I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still looking up

And when you're needing your space
To do some navigating
I'll be here patiently waiting
To see what you find
Cause even the stars they burn
Some even fall to the earth
We got a lot to learn

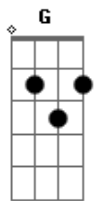

God knows we're worthy
No I won't give up
I don't wanna be someone who walks away so easily
I'm here to stay and make the difference that I can make
Our differences they do a lot to teach us how to use
The tools the skills we've got yeah we got a lot at stake
And in the end you're still my friend at least we didn't tend
For us to work we didn't break we didn't burn
We had to learn how to bend without the world caving in
I had to learn what I got and what I'm not
And who I am

I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still looking up
I'm still looking up
I won't give up on us
God knows I'm tough he knows
We got a lot to learn
God knows we're worthy
I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still looking up
