

Jason Mraz - I Won't Give Up

tom:
A

When I look into your eyes A E
It's like watching the night sky A E
Or a beautiful sunrise A E
Well, there's so much they hold B
And just like them old stars A E
I see that you've come so far A E
To be right where you are A E
How old is your soul? B
Well, I won't give up on us A2 A E
Even if the skies get rough Dbm B
I'm giving you all my love A2 A E
I'm still looking up B
And when you're needing your space A E
To do some navigating A E
I'll be here patiently waiting A E
To see what you find B
'Cause even the stars, they burn A2 A E
Some even fall to the Earth Dbm B
We've got a lot to learn A2 A E
God knows we're worth it B
No, I won't give up A

I don't wanna be someone who walks away so easily
I'm here to stay and make the difference that I can make B
A2
Our differences, they do a lot to teach us
How to use the tools and gifts we got, yeah B
We got a lot at stake
And in the end, you're still my friend D
At least, we did intend for us to work
We didn't break, we didn't burn
B
We had to learn how to bend without the world caving in
D
I had to learn what I've got and what I'm not B
E
And who I am
I won't give up on us A2 A E
Even if the skies get rough Dbm B
I'm giving you all my love A2 A E
I'm still looking up B
I'm still looking up A2
I'm still looking up
Well, I won't give up on us (no, I'm not giving up) A2 A E
God knows I'm tough enough (I am tough, I am loved) Dbm B
We got a lot to learn (we're alive, we are loved) A2 A E
God knows we're worth it (and we're worth it) B A2
I won't give up on us A2 A E
Even if the skies get rough Dbm B
I'm giving you all my love A2 A E
I'm still looking up B
