

Jason Mraz - In Your Hands

```
Tom: Eb
                                                                  What's missing in my life is you
(acordes na forma do tom Db )
                                                                  So I'll leave it in your hands now to come through
Capostraste na 2ª casa
                                                                  I'll leave it in your hands now to come through
Ticket lines and places to dine
Taking baths and drinking wine
                                                                  I'll leave it in your hands now to come through
                                                                                                            Gb
People ask, I say I'm doing fine
                                                                  I'm gonna leave it in your hands now to come through
But motorcycles and for sure the Eiffel Tower
                                                                  It's like diving into a pool without water
        Ab
                    Gb
They were made for two
                                                                  And praying for rain
A double bed has never felt so empty
        Ab
                                           A (deixe soar...)
                                                                  Well, my life is a good life anyway
                    Gb
What's missing in the world is you
                                                                  What I have will do
So I'll leave it in your hands now to come through
                                                                  But when you're alone, you're living in a world with only
                                      Gb
I'll leave it in your hands now to come through
                                                                                                   Gb
I like climbing a mountain or climbing back into bed
                                                                  And what I choose is you
I love making breakfast for someone instead of me
                                                                                                            Gb
                                                                  So I'll leave it in your hands now to come through
And taking autumn walks in Central Park
          Ab
                                                                  I'll leave it in your hands now to come through
They were made for two
                                                                  I'll leave it in your hands now to come through
                                             Gb
Afternoon naps have never felt so crappy
                                                                  I'll leave it in your hands now to come through
          Ab
                                             A (...)
