I try to picture a girl **A**  
Through a looking glass **Dbm**  
See her as a carbon atom **Bm**  
See her eyes and stare back at them **Dm**  
See that girl **A**  
As her own new world **Dbm**  
Though a home is on the surface, she is still a universe **Dm**  
Glory God, oh God is peeking through the blinds **A**  
Are we all here standing naked **D**  
Taking guesses at the actual date and time **Dm**  
Oh my, justifying reasons why **Dbm**  
Is an absolutely insane resolution to live by **D**

(verse 2 - mesmos acordes do 1)

Try to picture the man  
To always have an open hand  
See him as a giving tree  
See him as matter  
Matter fact he's not a beast  
No not the devil either  
Always a good deed doer  
And it's laughter that we're makin after all

The call of the wild is still an ordination why  
And the order of the primates  
All our politics are too late  
Oh my, the congregation in my mind  
Is this assembly singing gratitude  
Practicing their lovin' for you

(refrão)

(bridge)

**D2**

**Dm**

Just take it easy

**Dbm**

**Bm**

And celebrate the malleable reality

**Dm**

Nothing is ever as it seems

This life is but a dream

**A**

**Dbm**

**Cm**
