(verse)

I try to picture a girl **A**
Through a looking glass **Dbm**
See her as a carbon atom **Bm**
See her eyes and stare back at them **Dm**
See that girl **A**
As her own new world **Dbm**
Though a home is on the surface, she is still a universe **Dm**
Glory God, oh God is peeking through the blinds **A**
Are we all here standing naked **D**
Taking guesses at the actual date and time **Dm**
Oh my, justifying reasons why **Dbm**
Is an absolutely insane resolution to live by **D**

(verse 2 - mesmos acordes do 1)

Try to picture the man
To always have an open hand
See him as a giving tree
See him as matter
Matter fact he's not a beast
No not the devil either
Always a good deed doer
And it's laughter that we're makin after all

The call of the wild is still an ordination why
And the order of the primates
All our politics are too late
Oh my, the congregation in my mind
Is this assembly singing gratitude
Practicing their lovin' for you
