

Jason Mraz - Love For a Child

Tom: A

A
There's a picture on my kitchen wall
Looks like **Dbm** Jesus and his friends involved
There's a **Gb** party getting started in the **Bm** yard
There's a **Bm** couple getting steamy in the **Dm** car parked in the **A** drive
Was **Bm** I too young to see this with my **E** eyes?

A
By the pool last night, apparently
The chemicals weren't mixed properly
You hit your head and then forgot your name
And then you woke up at the bottom by the drain
And now your altitude and memory's a shame

A **Bm** **Dbm** **Bm**
What about taking this empty cup and filling it up
With a little bit more of some innocence
I haven't had enough, it's probably because when you're young
It's okay to be easily ignored
Dm (D E F-walk-up notes on the **A** string)
I like to believe it was all about
love for a child

And when the house was left in shambles
Who was there to handle all the broken bits of glass
Was it mom who put my dad out on his ass or the other way

around

Bm **E** **E**
Well I'm far too old to care about that now

A **Bm** **Dbm** **Bm**
What about taking this empty cup and filling it up
With a little bit more of innocence
I haven't had enough, it's probably because when you're young
It's okay to be easily ignored
Dm (D E F-walk-up notes on the **A** string)
I'd like to believe it was all about
love for a child

G **Bm** **A** **Dbm**
It's kinda nice to work the floor since the divorce
I've been enjoying both my Christmases and my birthday cakes
And taking drugs and making love at far too young an age
and they never check to see my grades
What a fool I'd be to start complaining now

A **Bm** **Dbm** **Bm**
What about taking this empty cup and filling it up
With a little bit more of innocence
I haven't had enough, it's probably because when you're young
It's okay to be easily ignored
Dm (D E F-walk-up notes on the **A** string)
I'd love to believe it's all about
love for a child
(D E F A) **A**
Gbm It was all about love...
