

# Jason Mraz - No Plans

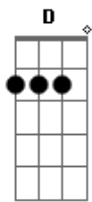

Tom: **D**

If I stayed here, would you follow **A**  
 Could we put time in a bottle **E**  
 And forget all of our to-do's **Gbm**  
**D** Pretend we checked in to a chateau **A**  
 In a world with no tomorrows **E**  
 Just time for me and you **Gbm Bm**  
  
**A** Do you wanna go **E**  
 Anywhere, **Bm A E** baby  
  
 I've got no plans for us today **D**  
 Got no plans to get away **A**  
 I've got no plans, except for loving you **E Gbm**  
 I've got no plans for us tonight **D**  
 So baby, hold me tight **A**  
 I've got no plans, except for loving you **E A**

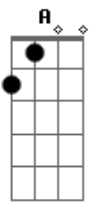

I've got no plans, except for loving you

**D** If we dream it we can be it **A**  
 I'm putting all my feelings **E**  
 Into spending time with you **Gbm**  
**D** I could sit right here all evening **A**  
 Just listening to you breathing **E**  
 And taking in the view **Gbm Bm**  
  
**A** Do you wanna go **E**  
 Anywhere, **Bm A E** baby  
  
 I've got no plans for us today **D**  
 Got no plans to get away **A**  
 I've got no plans, except for loving you **E Gbm**  
 I've got no plans for us tonight **D**  
 So baby, hold me tight **A**  
 I've got no plans, except for loving you **E A**
