

# Jason Mraz - Rainbow Connection

Tom: A

A Gbm  
Why are there so many  
D E7  
Songs about rainbows  
A Gbm D E7  
And what's on the other side  
A Gbm  
Rainbow's are visions  
D E7  
But only illusions  
A Gbm D E7  
And rainbows have nothing to hide  
D  
What's so amazing is that it keeps us star gazing  
Dbm  
What do they we think we might see?

Bm E7  
Someday we'll find it  
A Gbm  
The Rainbow Connection  
Bm E7 A E7  
The lovers, the dreamers and me  
A Gbm

Have you been half asleep?  
D E7  
And have you heard the voices

A Gbm D E7  
Well I've heard them calling my name  
A Gbm D E7  
Is this the sweet sound that calls the young sailors?  
A Gbm D E7  
The voice might be one and the same  
D  
I've heard it too many many times to ignore it  
Dbm  
Oooooohh and that I think it could be

Bm E7  
Well someday we'll find it  
A Gbm  
The Rainbow Connection  
Bm E7 A  
The lovers the dreamers and me  
Bm E7  
Someday we'll find it  
A Gbm  
A Rainbow Connection  
Bm E7 A  
The lovers, oh, the dreamers, and me

## Acordes
