As I lay me down to night

I close my eyes, what a beautiful sight

I'm sleeping to dream about you, and im so damn tired

of having to live without you, but i dont mind

I'm sleeping to dream about you, and I'm so tired,

oh yes i am

But i woke up in the ditches, I hit the light and I thought you might be

As a lay me back to sleep,

this love i pray me that i can keep
