

# Jason Mraz - Song For A Friend

Tom: B

m [Intro] Bm A G7 Em Gbm  
Bm A G7 Em Gbm

Bm A  
We are magic, he said, but don't let it all go to your head  
G7 Em

Gbm  
'cause I bet if you had it all figured out then you'd never  
get out of bed

Bm A  
Well, no doubt of all the things that I've read what he wrote  
me

G7  
Is now sounding like the man I was hoping to be  
Em Gbm

Em  
I keep on keeping it real 'cause it keeps getting easier,  
you'll see

Em A Bm A G  
He's the reason that I'm laughing even if there's no one else  
Em A Bm A G7 Em Gbm  
He said you've got to love yourself

Bm A  
He said you shouldn't mumble when you speak, but keep your  
tongue up in your cheek  
G7 Em

Gbm  
And if you stumble on to something better remember that it's  
humble that you seek

Bm A  
You got all the skill you need, individuality  
G7 Em Gbm  
You got something call it gumption, call it anything you want

Em A Bm A  
Because when you play the fool now, you're only fooling  
everyone else  
G  
You're learning to love yourself (yes you are)

Bm A G7 Em Gbm  
Yes you, you, you

Em A  
There's no price to pay  
Em A  
When you give it what you take  
Em A  
That's why it's easy to thank

Bm A G7 Em Gbm  
you, you, you

Bm A G7 Em Gbm  
you, you, you

Bm A  
Let's say take a break from a day of gettin' back to the old  
garage

G7 Em  
Because life's too short anyway, but at least it's better than  
average

Bm A  
As long as you got me and I got you, you know we got a lot to  
go around

G7 Em  
I'll be your friend, your other brother, another love to come  
and comfort you

Em A Bm A G  
And I'll keep reminding, if it's the only thing I ever do  
Em A Bm A G7 Em Gbm

I will always love you

Bm A G7 Em Gbm

you, you, you

Bm A G7 Em Gbm

ooooooooohhhh you

Bm A G7 Em Gbm

It's true, our love is true

Bm A G7 Em Gbm

It's you I love, it's you I love, it's you, it's you I love

Bm A G7 Em Gbm

It's true, our love is true, our love is true, it's you I love

Bm A G7 Em Gbm

It's you I love, it's you I love, it's you, it's you I love

Bm A  
Climb up over the top, survey the state of the soul  
G7 Em Gbm  
You've got to find out for yourself whether or not you're  
truly trying

Bm A  
Why not give it a shot? Shake it, take control  
G7 Em

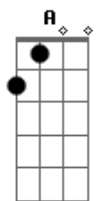

Gbm  
Inevitably wind up finding for yourself all the strengths that  
you have inside still rising

Bm A  
Climb up over the top, survey the state of the soul  
G7 Em Gbm  
You've got to find out for yourself whether or not you're  
truly trying

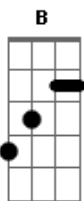

Bm A  
Why not give it a shot? Shake it, take control  
G7 Em

Gbm Bm  
Inevitably wind up finding for yourself all the strengths that  
you have inside of you
