Jason Mraz - Try Try Try

Tom: G Cause basically this place is needing instruments of harmony Fm C Spreading my philosophy of love and inspiration R G Oh baby we can fight like dogs we can fight like cats A dirty laundry needs a laundry man D Oh these words I speak I commit to like a crime Em Maybe the king and the queen should lay off the Am With a rhythm I deliver I'm giving them a picture of the caffeine DDD ſ reasons why Baby breathe before you react D If we just try try try R Sometimes we do forget to behave and we regret what we say G Fm Cause words are too weapons if we don't choose'em Just to be ni-ni-nice carefully D Then the world would be a better place for you and I Em Ladies and gentlemen this is instrumental D DDD C If we just live our lives If life's to be a bed of roses G Em Putting our differences aside D D Oh that would be so beautiful to me I know I gave you everything you like Am D Because you still give me butterflies Well it wouldn't cost a penny but could save so many lonely lives from teary eyes If we just try try try G If we just try try try Just to be ni-ni-nice To open up a can of understanding open up your heart D G Then the world would be a better place for you and I G I'm just planting seeds D If we just live our lives Cause I believe G Em Putting our differences aside D D If we just try try try Oh that would be so beautiful to me G Just to be ni-ni-nice Are we just dangling in the middle of a galaxy D Well I'm stoked on gravity Then the world would be a better place for you and I Fm D To be stuck with you like flowers on the dew drops If we just live our lives G Em Now let it in my direction Putting our differences aside D Oh that would be so beautiful to me My direction is up when everybody's down If we could try Cause I don't mind being anybody's clown Fm G Fm I love a little lift cause I'm an optimistic Just to be nice D In an altruistic way That could be so beautiful to me...
