

Jason Mraz - Unlonely

```
Tom: Eb
(forma dos acordes no tom de D )
Capostraste na 1º casa
Intro: D Gb Bm G Gbm Em
It could be love
And we could be homies
And once you get to know me
           G Gbm
I could be your one and only
           Gbm D
I could make you unlonely
Oh, we could take it slowly
And we could keep it lowkey
            G Gbm
I could be your one and only
           Gbm
I could make you unlonely
I've been chasing summer around
Searching for the sunshine looking for a good time
Following the good vibes
Listening to intuition as it's happening
      Gbm Em
Diggin' into life cause at times it can be saddening
 D
Yeah, it could be a grey day
If you're lonely
A little rain suddenly turns heavy
  Bm
But a whole lot of love can make the clouds go away
          Gbm
                     Em Gbm
Maybe the time for us is now
When the table's set for two
          Gb
And there's nobody with you
Seeing movies by yourself
    G Gbm
Let me be your someone else
It could be love
And we could be homies
And once you get to know me
            G Gbm
I could be your one and only
           Gbm D
I could make you unlonely
Oh, we could take it slowly
And we could keep it lowkey
            G
I could be your one and only
           Gbm D
I could make you unlonely
Love, la-la-la-laa, love
Love, la-la, love
      Gbm Em
                        Gbm D
One and only, I could make you unlonely
```

```
I give you my wordb although I'm making words up
Unlonely ain't a word, but I don't give a fuck
Cause I'm fresh form the farm where critics can't bother me
                    Em
Living is tricky as it is so that ain't stoppin' me
You and me, we both agree
That no one needs the scrutiny
All we want is peace and love, and honestly you ruined me
With your beautiful smile, and your style continuity
                  Em
                                Gbm
I'd be a fool not to take the opportunity to say:
"Hey! We should be homies
I think we could be bigger than cheese and macaroni
We could keep it sweet like Chachi and Joanie
             Gbm Em
Oh, maybe just be ourselves, never phony."
Never second guessing the friendship connection
Parallel living, never in possession of your individual
personal expression
                         Em
                                   Gbm
            Gbm
Together we're just a much better reflection of
Love
          Gb
We could be homies
And once you get to know me
          G Gbm
I could be your one and only
           Gbm D
I could make you unlonely
Oh, we could take it slowly
And we could keep it lowkey
             G
I could be your one and only
          Gbm D
I could make you unlonely
Love, la-la-la-laa, love
Love, la-la, love
      Gbm Em
                        Gbm D
One and only, I could make you unlonely
                Gb
Love, la-la-la-laa, love
Love, la-la, love
      Gbm Em
One and only, I could make (you unlonely)
When the table's set for two
         Gb
And there's nobody with you
     Bm
Seeing movies by yourself
      G
             Gbm
Let me be your someone else
Gbm D
If you're spending time alone
     Gb
If it's just you and your phone
Taking pictures of yourself
