

Jason Mraz - What We Want

```
A E
I'm older than I look I see the man staring at my ID
D E A E
He reads my face and studies lines no plagiarizing
D E A E
No copyright. I'm right before your very eyes
D E A E
When you say my name I'm suddenly I'm young again
D E A
Young as he thinks I am.
A E
All the words that I hoped you'd say were stated right there in the cafe
D E A E
We stayed out late and spoke of all the worlds perfections
D E A E
