

Jason Mraz - What Would Love do Now

Tom: E

E Ab
It's nice to meet you. No, I'm not from outer space
Db7 Gb
but I'd like to take you, to a higher place,
A E
where we won't ever have to leave the ground.
E B7 E
Just ask what love would do now.

E Ab
If it's got you thinking about a change of scenery
Db7 Gb
try letting go of what it was or how things ought to be
A E
and ask what love would do now,
E B7 E
Just ask what love would do now.

E Ab
If you care to join me oh when you shake my hand,
Db7 Gb
do not let go and soon you'll understand
A E
what it means to have a friend beside you,
Gb A B7

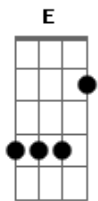

who's there to remind you that love is what you are right now.

E
Ask what would love do,
Ab
what would love do,
Db7 Gb
what would love do now.
E Ab A
What would love do now.
E B7 E
What would love do now.

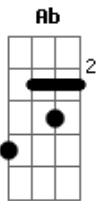

E
Ask what would love do,
Ab
what would love do,
Db7 Gb
what would love do now.
E Ab A
What would love do now.
E B7 E
What would love do now.

E Ab A
Oh, what would love do now.
E B7 E
Oh, Love would love to love you now.
