

Jason Mraz - When We Die (Years Go Fast)

Tom: C

C
When we die
Is it just like sleeping?
Does the light mean that it's light like in air?
Will I dream? Will I get to meet Jesus?
Or like the Lama will I come right back?
Years go fast, live each day like it's the last
Need not waste time asking
Why? in my life, no holding back

C Em

He sings of the memories of long days gone
So do I, sing along, I'll remember you

Me, I know I won't last
Cause when I cry, I don't just cry
I fold in half
