Bm7
All those who are hanging around the water cooler
G7M
Will never believe how you tackled the thousand puzzle pieces
Gbm7
And you could see it before we completed it
Before we made it whole
Bm7
How you put it all together with a blindfold
Bm7
You're like a long game token that keeps the game going
G7M
But your claim to fame is how you like to lay low
Gbm7
Out of the lime light
Which can hurt your eyes
Bm7
If you're not careful you'll become another devil in disguise
Bm7
But you watch your back, you watch your back
G7M
You're growing eyes in the back of your head
Gbm7
To prevent another sneak attack, sneak attack
Bm7
You must be keepin' secret weapons in your fanny pack

G
You're like my laughing gas, you got the cat to dance

G7M
And you'll be meeting all the influential seekers with a similar
Gbm7
Dream

Bm7
You've got a front seat saved that's emblazed with your name
And a super hero cape on
Bm7
You see the future as a sky full of possibility
G7M
With a spryness of mind and a psychic ability
Gbm7
You probably won't die at the hands of an enemy
Bm7
And not in a den of inequity

G
You're not the average Joe
You're not the average Jane
A
You're not above or below
But you're never just plain
Gb
You never take no personally
Bm7
And any time you get stopped you try another way
G
Could we settle for a kiss without a cease and desist
A
If they ask we won't tell 'cause we're activists
Gb
I am that I am and you are that you are
Bm7
And we're all that is
