Gbm
You really did it

Bm
You really did it

Bm
All those who are hanging around the water cooler

G
Will never believe how you tackled the thousand puzzle pieces

Gbm
And you could see it before we completed it
Before we made it whole

Bm
How you put it all together with a blindfold

Bm
You're like a long game token that keeps the game going

G
But your claim to fame is how you like to lay low

Gbm
Out of the lime light
Which can hurt your eyes

Bm
If you're not careful you'll become another devil in disguise

Bm
But you watch your back, you watch your back

G
You're growing eyes in the back of your head

Gbm
To prevent another sneak attack, sneak attack

Bm
You must be keepin' secret weapons in your fanny pack

G
You're like my laughing gas, you got the cat to dance

A
You're like Lance on a mountain in the tour de France

Gb
You got a wing span spanning the globe you got gold

Bm
And you're teaching us to let go

G
You're a wise old owl when you're the cat's meow

A
If this were twelfth grade you'd be my cap and gown

Gb
If this were India then you'd be a sacred cow

Bm
And I'd bow down to you

Dbm **Gb** **Gb7**
So grateful to the gods for making you

Bm
You fuckin' did it

G
You really did it yeah

Gbm
You really did it

Bm
You really did it

Bm

You fuckin' did it

G
You really did it yeah

Gbm
You really did it

Bm
You really did it

Bm
You'll be standing up for the equal right of the American people

G
And you'll be meeting all the influential seekers with a similar

Gbm
Dream

Bm
You've got a front seat saved that's emblazed with your name
And a super hero cape on

Bm
You see the future as a sky full of possibility

G
With a spryness of mind and a psychic ability

Gbm
You probably won't die at the hands of an enemy

Bm
And not in a den of inequity

G
You're not the average Joe
You're not the average Jane

A
You're not above or below
But you're never just plain

Gb
You never take no personally

Bm
And any time you get stopped you try another way

G
Could we settle for a kiss without a cease and desist

A
If they ask we won't tell 'cause we're activists

Gb
I am that I am and you are that you are

Bm
And we're all that is

G **Dbm** **G** **Gb** **Gb7**
