Jason Upton - Jesus, You're Beautiful

```
                                tom:
                      C
Intro: C   Am   C   Am
        F   G   F   G   C

              Am        C
What can I give to You
          Am          F
Creator of everything
          G           F
I want to worship You
             G        C
And my heart is listening

              Am          C
Love is just an empty word
              Am              F
When there's not a hand to hold
                     G        F
So I'm reaching out to You
             G
And You never let me go

              C
Jesus, You're beautiful
          Am
You're beautiful
        F
You are beautiful

Dm                        G
    You're more than I dare to imagine
Dm                        G
    So much more than a song

          C
Jesus, You're beautiful

( Am   C   Am   C )

              Am          C
When I gave my heart to You
```
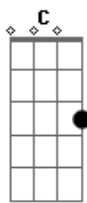

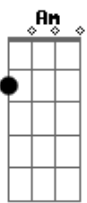

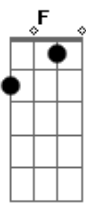

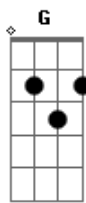

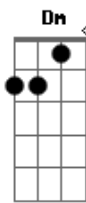

```
                      Am        F
I thought I gave everything
                     G          F
But I have nothing to lose
                    G           C
And songs are easy to sing
                      Am          C
Still you gave much more to me
                     Am        F
Than I ever dare to give
                     G         F
Like rainbows around the moon
                     G
Like memories I can't forget

              C
Jesus, You're beautiful
          Am
You're beautiful
        F
You are beautiful

Dm                        G
    You're more than I dare to imagine
Dm                        G
    So much more than a song

              C
Jesus, You're beautiful

( Am   C   Am )
( F   G   F   G )

              C              Am
You are more, more than a song
                  F
More than a song sing
              C
You're beautiful

[Final] Am   C   Am   F   G
```
