J.A.Thomas - When It Comes To The Night

```
Tom: C
Intro: F  Dm  C

F                             C
I'm inside a world that doesn't exist
F                  C
I can see coming disgrace
F                            C
Although I know it in the real world
F      Dm        G
I am afraid of the future
F      Dm      G
And when I've bad dreams

            F
When it comes to the night
      Dm            C
I'll be crying in the rain for you
            F
If the wind blows you
Dm                C
Far from me, I'll go away, without you
    Dm   C
Ooh ooh without you
    Dm     C    F  Dm  C
Ooh ooh so alone

F                        C
It's so easy if you want to lie
F                        C
But it's so difficult I believe
F          Dm            G
```
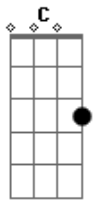

```
That's the love that never happened
F       Dm          G
But I fake that it exists

            F
When it comes to the night
        Dm                    C
I'll be following so alone in my way
          F
If I could make it rain
        Dm
Happiness in your life
      C
I would do, for you

            F
When it comes to the night
        Dm                C
I'll be crying in the rain for you
            F
If the wind blows you
Dm                C
Far from me, I'll go away
        Dm       C
Ooh ooh in my way
      Dm     C
Ooh ooh so alone
      Dm    C
Ooh ooh without you
C                    C
When it comes to the night
```
