

# Javier Solis - Cariño de Siempre

tom:

D

Intro: D D7 G C D A D

D Gbm Bm

Cariño de siempre

Te ofrezco, sincero

Hoy que quiso el cielo

Darme la fortuna

De volverte a ver

El tiempo ha pasado

Y yo soy el mismo

Vivo enamorado

Del dulce recuerdo

De tu querer

Nunca habrá reproches

Que empañen la dicha

La dicha sublime

De sentirte mía

Por segunda vez

Cariño de siempre

Hoy vengo a pedirte

Y con toda el alma

Cariño de siempre

Espero de ti

( D Gbm Bm F )

( D Em Gbm F )

( Em B7 Em B7 )

( Em A A7 D A )

Nunca habrá reproches

Que empañen la dicha

La dicha sublime

De sentirte mía

Por segunda vez

Cariño de siempre

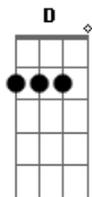

Hoy vengo a pedirte

Y con toda el alma

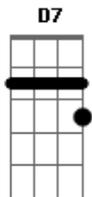

Cariño de siempre

Espero de ti
