

Javier Solis - Hoja Seca

tom:

Gm

Intro: Cm Gm D Gm

Tan lejos de ti, no puedo vivir,

tan lejos de ti, me voy a morir,

Entre a esta taberna, tan llena de cosas,

queriendo olvidar; pero ni las copas,

señor tabernero, me hacen olvidar

Me salgo a la calle, buscando un consuelo,

buscando un amor; pero es imposible,

mi fe es hoja seca, que mato el dolor

No quiero buscarte, ni espero que lo hagas,

pues ya para que

Se acabo el romance, mataste una vida,

se acabo mi amor

Si acaso mis ojos, llenos de tristeza,

pudieran llorar

Pero es que en mi vida, yo nunca he llorado,

por ningún querer

Ya que es imposible, dejar de quererla,

Señor tabernero, sírvame otra copa,

que quiero olvidar

Pudieran llorar

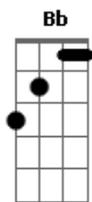

Por ningún querer,

Ya que es imposible, dejar de quererla,

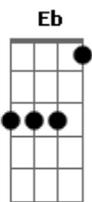

Señor tabernero, sírvame otra copa,

que quiero olvidar
