

Javier Solis - Sueño En Tu Regreso

tom:

Intro: A7 D G Gb7 Bm Gb

La noche me lo ha dicho

Que tú ya no me quieres

Y voy por este mundo

En busca de otro amor

Mas no puedo olvidarte

Tus besos aún me quemam

Y pasan por mi mente

Recuerdos de tu amor

Y así vaga mi vida

Soñando en tu regreso

Y tal vez en tu alma

Ya existe un nuevo amor

Soñando en tu regreso

Y tal vez en tu alma

Ya existe un nuevo amor

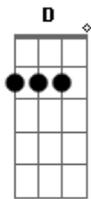

Mas si el destino quiere

Ponernos frente a frente

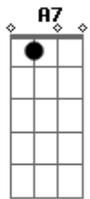

Te juro por lo nuestro

Que ya no habrá rencor
