Ebm  
Walmarts hit the fan  
Abm  
While everyone is walkin' dead  
Db Gb

Gb  
When I was in the fifth grade  
A kid named Walker (yeah)  
Ebm  
Punched me in the gut  
Then he shoved me in a locker  
Abm  
One day, I'll be wearin' me a  
Ear-to-ear grin  
Db  
When he's bangin' on the door screamin'  
"Let me in!"  
Gb  
My ex best friend  
Let's call her "Regina"  
Ebm  
Talked a lot of trash about me  
Back in middle school theater  
Abm  
So when she's beggin' for the  
Aquafina in my freezer  
Db  
I'ma feed it to the dead and  
Then I think I'll watch 'em eat her 'cause  
Gb  
You should have never fucked with my boy  
Ebm  
You should have never fucked with my girl  
Abm  
You're all out of luck  
'Cause you're about to be so  
Db  
Fucked at the end of the world  
Gb  
I can't wait for the apocalypse  
Ebm  
'Cause I know we survive  
Abm  
Doomsday sounds ridiculously fun  
Db Gb  
When we're the only ones alive  
Baby, it's you and me verse  
Ebm  
All these brain-dead NPC's  
Abm  
When the box we created and  
The aliens invade us  
Db  
It's gonna be a pretty funny scene  
Gb  
So bring on the earthquakes  
Bring on the floods  
Ebm  
I ain't afraid of nothin' because  
Abm  
Darlin', we'll be just fine
