

Jay Vaquer - Boys Don't Cry

Tom: C

(intro 2x) G Em7 C

G Em7
I would say I'm sorry
C
If I thought that it would change your mind
G Em7
But I know that this time
C
I have said too much, been too unkind
Bm C
I try to laugh about it
Bm C
Cover it all up with lies
Bm C
I try to laugh about it
Bm C
Hiding the tears in my eyes
G Em7 C
'Cause boys don't cry
G Em7 C
Boys don't cry

G Em7
I would break down at your feet
C
And beg forgiveness, plead with you
G Em7
But I know that it's too late
C
And now there's nothing I can do

Bm C
So I try to laugh about it
C
Cover it all up with lies

Bm Em7
I try to laugh about it
C
Hiding the tears in my eyes
G Em7 C
'Cause boys don't cry
G Em7
I would tell you that I loved you
C
If I thought that you would stay
G Em7
But I know that it's no use
C
That you've already gone away
Bm C
Misjudged your limits
Bm C
Pushed you too far
Bm C
Took you for granted
Bm C G
I thought that you needed me more
G Em7
Now I would do most anything
C
To get you back by my side
G Em7
But I just keep on laughing
C
Hiding the tears in my eyes
G Em7 C
'Cause boys don't cry
G Em7 C
Boys don't cry
G Em7 C
Boys don't cry
