

JayXander - Hoodies

tom:

G

At least I got my hoodies back
At least you still live in my head

Bbm

At least now he can make you laugh

I miss your presence in my bed

B

We lay for hours, fuck a lil

Back when we were kids

Bm

Back when we were more than fights
Back when you still gave a shit

Gb

Now my room been feelin' empty

Sellin' pieces of my soul

Bbm

Said you love me but you lyin'

What's it like to let me go?

B

Now my heart been torn to pieces
And my days are moving slow, slow, slow

Bm

You've been moving on for months so let me go, go, go, yeah

(Gb Bbm B Bm)

Yeah, I'm a diff?rent person now that ev?rything's changed

Bbm

Dress up pretty for those pictures but your smiles fake

B

Took your pictures off my wall, heard you just did the same

Bm

But see those pictures in my mind as I lay awake

Gb

Every night I stay up, hoping this'll clear up

Bbm

Hoping you would call me, but what a bad idea

B

But shit, what if I called you?

Maybe you would pick up

Bm

Maybe you would stay here, but what a bad idea

At least I got my hoodies back
At least you still live in my head

Bbm

At least now he can make you laugh

I miss your presence in my bed

Gb Bbm

Now why, am I driving you home crying?

B

Can't you see I'm trying?

Bm

You just say it hurts

Gb Bbm

And why, is it toxic to say I'm dying?

B

Skydivin' without flyin'

Bm

Without you by my side

At least I got my hoodies back
At least you still live in my head

Bbm

At least now he can make you laugh
