

# Jean Dapesi - A Luz da Minha Juventude

Tom: C

O que explica <sup>E</sup> essa fraqueza nos braços?  
<sup>F</sup> Agora me sinto tão incerto em meus passos  
<sup>G</sup> Olha só nosso futuro quebrado  
<sup>C</sup> Derretido, já virou passado  
<sup>E</sup> O que me explica essa falta de ar?  
<sup>F</sup> Talvez seja o excesso de tanto sonhar  
<sup>G</sup> E agora ver desenrolar o fim  
<sup>C</sup> Sozinho, sabendo que não traiu só a mim <sup>D</sup>

<sup>E</sup> <sup>F</sup> Desculpe, mas vou embora  
<sup>G</sup> <sup>C</sup> Sem pedoar a sua atitude  
<sup>E</sup> <sup>F</sup> Reconstruirei meus sonhos  
<sup>G</sup> <sup>C</sup> A luz da minha juventude

<sup>E</sup> <sup>F</sup> Traiu também nossos sonhos

Nossa juventude  
<sup>G</sup> Triste atitude

<sup>C</sup> Que tento não pensar  
<sup>E</sup> <sup>F</sup> E meu sorriso verdadeiro

Se tornou passageiro  
<sup>G</sup> Desse trem

<sup>C</sup> Que eu sei, vai passar

<sup>Am</sup> <sup>Dm Am</sup>

Perdendo o ar  
<sup>C</sup> <sup>C C</sup> Com mais ira que o Punk  
<sup>Em</sup> <sup>E7 Em</sup> Peço a raiva "que me solte!"  
<sup>Fm</sup> <sup>Fm Fm</sup> Ela entende "que me tranque!"

<sup>C</sup> Como explicar tua falta  
<sup>B7</sup> Substituída pelo choque  
<sup>D</sup> De saber que era falsa  
<sup>B7</sup> Tua risada ao meu toque

<sup>E</sup> Era blindado contra tristeza

Bobo pensei  
<sup>F</sup> Você tirou meu chão  
<sup>G</sup> E eu afundei  
<sup>G</sup> Era blindado contra tristeza

Bobo pensei  
<sup>C</sup> Você tirou meu chão  
<sup>E</sup> E eu afundei

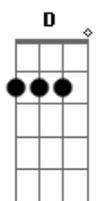

<sup>E</sup> <sup>F</sup> Desculpe, mas vou embora  
<sup>G</sup> <sup>C</sup> Sem pedoar a sua atitude  
<sup>E</sup> <sup>F</sup> Reconstruirei meus sonhos

<sup>G</sup> <sup>C</sup> A luz da minha juventude  
<sup>E</sup> <sup>F</sup> Desculpe, mas vou embora  
<sup>G</sup> <sup>C</sup> Sem pedoar a minha atitude

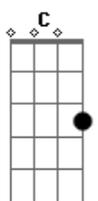

<sup>E</sup> <sup>F</sup> Mas o teu sorriso

<sup>G</sup> <sup>C</sup> Pode tentar que não me ilude
