

# Jeff Buckley - All Flowers In Time Bend Towards The Sun

Tom: G

D Am Bm G C D Am Bm G C

The Bm fit in quickly between the Am and G. Listen to the song for the change.

Also, the last C goes for a while.

Verse:

My eyes are,

A baptism,

Oh, I am filth.

And sing her,

To my face,

Oh, phantom elusive thing, Oh...

Chorus:

All flowers in time bend towards the sun,  
I know you say that there's no-one for you,  
But here is one,

All flowers in time bend towards the sun,  
I know you say that there's no-one for you,  
But here is one, here is one...

(The Gb and Bm are optional, they are very brief)

Here is one...

Verse:

Aah, ooh...

One that can never be known,

Either all drunk with the world at her feet,

or sober with no place to go...

Chorus:

All flowers in time bend towards the sun,  
I know you say that there's no-one for you,  
But here is one,

All flowers in time bend towards the sun,  
I know you say that there's no-one for you,  
But here is one, here is one...

(The Gb and Bm are optional, they are very brief)

Verse:

You could come with me,

We could travel round,

Fading farther from me,

With your face in my window call,

When will you weep for me... Sweet willow...

Here is one...

Verse:

It's ok to be angry

but not to hurt me

your happiness, yes, yes, yes

darling, darling,

ooh...

Chorus:

All flowers in time bend towards the sun,  
I know you say that there's no-one for you,  
But here is one,

All flowers in time bend towards the sun,  
I know you say that there's no-one for you,  
But here is one, here is one...
