Jeff Buckley - Lilac Wine

Tom: Bb

```
     Gm
I lost myself on a cool damp night
Eb
Gave myself in that misty light
D7                        Cm
Was hypnotized by a strange delight
D7                Gm
Under a lilac tree
Gm
I made wine from the lilac tree
Eb
Put my heart in its recipe
Cm
It makes me see what I want to see?
D7                     Gm
And be what I want to be
Gdim                        C
When I think more than I want to think
Cm                             Gm
Do things much I never should DO
Gdim                        C
I drink much more than I ought to drink
Cm                           D7
Because it brings me back you...
