Bar lines are only a very approximate guide to timing here. Intro:

Verse:

Then there's a bit where he sings something like "You see it take another $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left(1\right) +\left(1\right) \left(1\right$

 $\operatorname{track} \ldots$ and then goes into a frantic bit of guitar playing something like

this:
