Jeff Daniels - Middle of the Night

Tom: F

F7M   F7M
The siren's sailing through a saturday I won't remember

F7M   F7M
It's raining pain and now I kick myself for saying never

Am   Dm
Why'd I have to let you go,

Am   Dm
I never knew and now I'll never know

Gm   Bbm
Wish I may,   wish I might

Am   Dm
Will you be there if I turn on my light?

          Gm
I miss you most

     C7   F7M
In the middle of the night.

F7M   F7M
That city street is tryin' to climb in thru my bedroom window,

F7M   F7M
I say my prayers and lay my tired head upon my pillow,

Am   Dm
I may never love again,

Am   Dm
I just lost another long lost friend.

Gm   Bbm
Wish I may,   wish I might

Am   Dm
Will you be there if I turn on my light?

          Gm
I miss you most

     C7   F7M
In the middle of the night.

Bbm   F
Why's it have to hurt so bad?

Gm   Gm   C7
You were the best thing I ever had.

Bbm   F
Be still my heart so true,

Gm   Bbm
I still love you,   I still love you,

Am   Dm
These empty arms of mine are thinking of you.

          Gm
I miss you most

     C7   F7M
In the middle of the night.

F7M   F7M
That curtain sways and there's the dress you said you fell in

love with,

F7M   F7M
Bring back the days when you were heaven sent and hell to live
with,

Am   Dm
Without you I won't be

Am   Dm
someone I used to know as me.

Gm   Bbm
Wish I may,   wish I might

Am   Dm
Will you be there if I turn on my light?

          Gm
I miss you most

     C7   F7M
In the middle of the night.

Am   Dm
How long 'til I forget you?

Am   Dm
How long 'til my tears run dry?

Bb   C
How   long   'til I don't regret you?

Am   Dm
How long 'til I won't ask why?

Gm   C
How long 'til your love no longer lingers?

Am   Dm
'til I don't feel you slippin' thru my fingers?

Bbm   Bbm
How long?

Am   Dm
How long?

Gm   Gm   C7
How long?

F7M   F7M
I finally fall asleep and dream you're dreaming right beside
me,

F7M   F7M
I touch your face and feel your lovin' eyes look right inside
me,

Am   Dm
Never ever let me go,

Am   Dm
Your love's the only love I know,

Gm   Bbm
Wish I may,   wish I might

Am   Dm
Will you be there if I turn on my light?

Gm   Bbm
I miss you most,

Am   Dm
I miss you most,

Gm	Gm	In the middle of the night.
I miss you most		

		F7M F7M
C7 F7M		In the middle of the night.
