Someone like u I never believed

Would ever be in my life

Different ways & world's apart

Some said we'd never survive

But, one thing I know is I couldn't live

Without u here by my side

I been thinking of, dreaming of, girl, U & I

& I'm singing of giving good love

You're the meaning of, the reason why 2gether we shine

So surrender your love 2 me as I do 2 U
