F **Eb**
 The summer had inhaled and held its breath too long
F **Eb**
 The winter looked the same as if it never had gone
Db **Eb**

And through an open window where no curtain hung

Part 2:

Eb **F** **Gb**
 I saw you
Eb **F** **Gb**
 I saw you
Eb **F** **Gb**
 Comin'...

Part 3:

Db
 ...back to me

One begins to read between the pages of a book
 The shape of sleepy music and suddenly you're hooked
 Through the rain upon the trees that kisses on the run

I saw you I saw you
 Comin' back to me

Part 4:

Db
 You can't stay and live my way
 Scatter my love like leaves in the wind
 You always say you won't go away
 But I know what it always has been
 ...it always has been
 A transparent dream beneath an occasional sigh
 Most of the time I just let it go by
 Now I wish it hadn't begun

I saw you I saw you
 Comin' back to me

Strolling the hills overlooking the shore
 I realize I've been here before
 The shadow in the mist could have been anyone

I saw you I saw you
 Comin' back to me

Small things like reasons are put in a jar
 Whatever happened to wishes wished on a star
 Was it just something that I made up for fun

I saw you I saw you
 Comin' back to me

play parts 1, 2, and 3 (with recorder solo) and fade out
