

# Jefferson Airplane - Lets Get Together

Tom: **C**

**G**  
Love is but a song we sing,  
**F**  
Hear a way we die.  
**G**  
You can make the mountains ring,  
**F**  
Hear the angels cry.  
**G**  
Tho' the dove is on the wing  
**F**  
You need not know why.

**C**  
Hey, people now,  
**D**  
Smile on your brother.  
**G**  
Let me see you get together,  
**C** **D** **G**  
Love one another right now.

**G**  
Some will come and some will go,  
**F**  
We shall surely pass.  
**G**  
When the wind that left us here,  
**F**  
Returns for us at last.  
**G**  
We are but a moment's sunlight,  
**F**  
Fading on the grass.

**C**

Hey, people now,  
**D**  
Smile on your brother.  
**G**  
Let me see you get together,  
**C** **D** **G**  
Love one another right now.

**G**  
If you hear the song I'm singing,  
**F**  
You will understand.  
**G**  
You hold the key to love and fear,  
**F**  
All in your trembling hand.  
**G**  
One key unlocks them both, you know,  
**F**  
It's at your command.

**C**  
Hey, people now,  
**D**  
Smile on your brother.  
**G**  
Let me see you get together,  
**C** **D** **G**  
Love one another right now.
