

## Jefferson Airplane - Somebody To Love

```
Tom: E
                                                                   Yeah, but in your head, baby, I'm afraid
  Verse 1:
                                                                                    Gbm
                                                                      you don't know where it is
       Gbm B E Gbm

When the truth is found to be lies
Gbm B E Gbm

And all the joy within you dies
                                                                   [repeat chorus 1]
                                                           Link:
                                                                   (Gbm ) E B A
Chorus:
                       E Gbm B
                 Α
       Don't you want somebody to love, don't you...
                                                           Verse 4:
       A E Gbm B
Need somebody to love, wouldn't you...
                                                                                    ВЕ
        A E Gbm B
       Love somebody to love, you better...
                                                                   Tears are running down and down and down your breast
              В
                       Ghm
       Find somebody to love
                                                                   And your friends, baby they treat you like a guest

                                                           Chorus 4:
       E
                                                                                            В
                                                                   Don't you want somebody to love, don't you...
Verse 2:
                                                                   Need somebody to love, wouldn't you...
                            ВЕ
                Gbm
                                      Gbm B
                                                                           F
                                                                                   В
                                                                   Love somebody to love, you better...

A B Gbm B Gbm
       When the garden flowers baby are dead, yes and
       Gbm B E Gbm
Your mind, your mind is so full of bread
                                                                   Find somebody to loooooooooooooove
                                                           Guitar solo/coda:
Chorus 2:
                                                                   Gbm B E //////
       Don't you want somebody to love, don't you...
       Need somebody to love, wouldn't you...
       Love somebody to love, you better...
                                                                   Gbm
                                                                   ///////////
              R
                     Ghm
       Find somebody to love
                                                                   A E B / / / / / / / /
                                                                                   [3X]
Verse 3:
                                                                   Gbm B
       Your eyes, I say your eyes may look like his
                                                                   ///
```
