Jefferson Airplane - Two Heads

```
Gbm Dbm E
You want two heads on your body
Gbm E
And you've got two mirrors in your hand.
B A Dbm A
Priests are made of brick with gold crosses on a stick
G A Dbm Gbm
and your nose is too small for this land.

A
Inside your head is your town
A
inside your room your jail
A
inside your mouth the elephant's trunk and booze
A Gbm
the only key to your bail

Gbm Dbm E
Two heads can be put together.
Gbm E
And you can fill both your feet with sand.
B A Dbm
No one will know you've gutted your mind
A G A Dbm Gbm
```

```
but what will you do with your bloody hands?

A
Your lions are fighting with chairs,
A
your arms are incredibly fat;
A
Your women are tired of dying alive
A
Gbm
if you've had any women at that.

Gbm

Dbm
E
Wearing your comb like an ax in your head
Gbm
E
List'ning for signs of life;
B
A
Children are sucking on stone and lead
G
A
Dbm
And chasing their hoops with a knife;

A
New breasts and jewels for the girl,
A
Keep them polished and shining;
A
Put a lock on her belly at night, sweet life,
A
Gbm
For no child of mine.
