

Jefferson Airplane - Wooden Ships

Tom: **G**

(**Em Bm Am**)

If you smile at me you know I will understand
Cause that is something everybody everywhere does
In the same language

I can see by your coat my friend that you're from the other
side
There's just one thing I got to know
Can you tell me please who won

You must try some of my purple berries
I been eating them for six or seven weeks now
Haven't got sick once
Probably keep us both alive
(**Em G D**) **C**

(**Em G D**)
Wooden ships on the water very free and easy
Easy you know the way it's supposed to be
Silver people on the shoreline leave us be

C
Very free and easy
(**Em C**)

Sail away where the mornin sun goes high
Sail away where the wind blows sweet and young birds fly
Take a sister THEN by her hand

D **C D**
Lead her far from this barren land

(**Em G D**)

Horror grips us as we watch you die
All we can do is echo your anguished cry and
Stare as all you human feelings die

C
We are leaving
Em

You don't need us

(**C Em**)

(**Em G D**)
Go and take a sister by her hand
Lead her far from this foreign land
Somewhere where we might laugh again

C
We are leaving
Em

You don't need us

(**C Em**) **D**

(**Em G D**)
Sailing ships on the water very free and easy
Easy you know the way it's supposed to be
Silver people on the shoreline leave us be

C
Very free
Em

And gone

(**Em G D**) (**Em D**)
