

# Jefferson Airplane - Wooden Ships

Tom: **G**

(**Em Bm Am**)

If you smile at me you know I will understand  
Cause that is something everybody everywhere does  
In the same language

I can see by your coat my friend that you're from the other  
side  
There's just one thing I got to know  
Can you tell me please who won

You must try some of my purple berries  
I been eating them for six or seven weeks now  
Haven't got sick once  
Probably keep us both alive  
(**Em G D**) **C**

(**Em G D**)  
Wooden ships on the water very free and easy  
Easy you know the way it's supposed to be  
Silver people on the shoreline leave us be

**C**  
Very free and easy  
(**Em C**)

Sail away where the mornin sun goes high  
Sail away where the wind blows sweet and young birds fly  
Take a sister THEN by her hand

**D** **C D**  
Lead her far from this barren land

(**Em G D**)

Horror grips us as we watch you die  
All we can do is echo your anguished cry and  
Stare as all you human feelings die

**C**  
We are leaving  
**Em**

You don't need us

(**C Em**)

(**Em G D**)  
Go and take a sister by her hand  
Lead her far from this foreign land  
Somewhere where we might laugh again

**C**  
We are leaving  
**Em**

You don't need us

(**C Em**) **D**

(**Em G D**)  
Sailing ships on the water very free and easy  
Easy you know the way it's supposed to be  
Silver people on the shoreline leave us be

**C**  
Very free  
**Em**

And gone

(**Em G D**) (**Em D**)
