

# Jejune - Regrets Are Unanswered Dreams

tom:

A

Intro: A D7M

[Primeira Parte]

A A7M A7  
You sit alone, but never too long  
You cry your eyes out, just like the song  
Still the same tune, still the same lie  
Just making sure that it's different this time  
Now here you are, in the same dress  
Spending a day dreaming how to impress  
I never knew, could never guess  
Just can't for once lose a bet

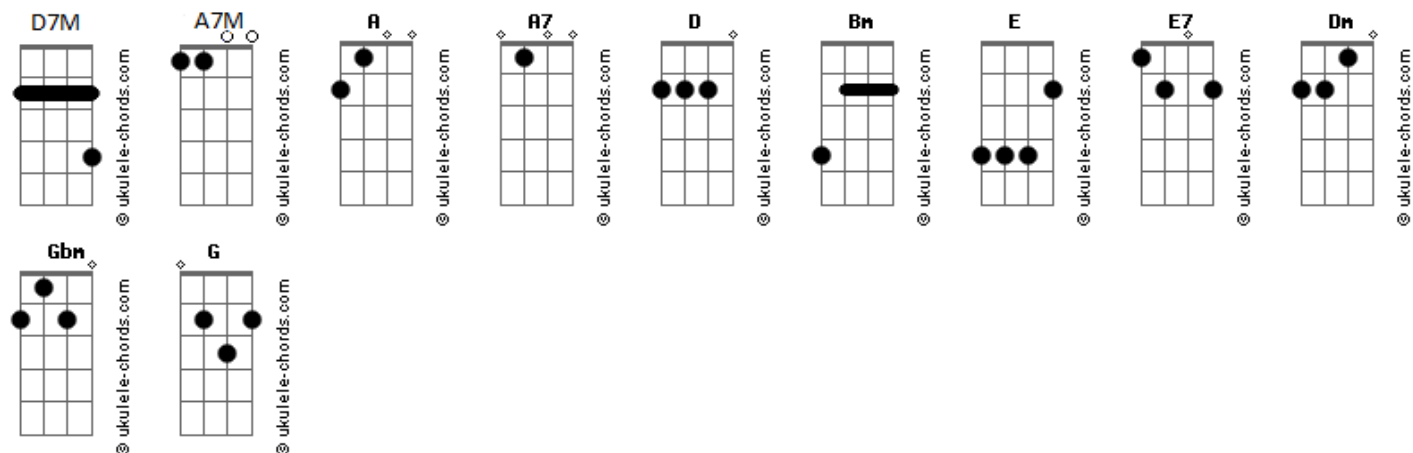

[Refrão]

Bm E E7  
Because I, I was pinned to the wall  
Bm E E7  
When you, you came down the hall  
( Dm )

[Segunda Parte]

A A7M A7  
We sat around, not talking much  
Vexed by imagining holding your hand  
So I planned, and I schemed  
'Cause regrets are unanswered dreams so now  
You have a chance, but not for too long  
Lease unrequited what you think is wrong

## Acordes
