

Jejune - Regrets Are Unanswered Dreams

tom:

A

Intro: A D7M

[Primeira Parte]

A A7M A7
You sit alone, but never too long
You cry your eyes out, just like the song
Still the same tune, still the same lie
Just making sure that it's different this time
Now here you are, in the same dress
Spending a day dreaming how to impress
I never knew, could never guess
Just can't for once lose a bet

[Refrão]

Bm D Bm7 Bm D Bm7 E E7
Because I, I was pinned to the wall
Bm D Bm7 Bm D Bm7 E E7
When you, you came down the hall
(Dm)

[Segunda Parte]

A A7M A7
We sat around, not talking much
Vexed by imagining holding your hand
So I planned, and I schemed
'Cause regrets are unanswered dreams so now
You have a chance, but not for too long
Lease unrequited what you think is wrong

Acordes

But as for me, this I'd allow
'Cause, like Beryl Markham, my heart knows the now
