

Jelly Roll - Son Of A Sinner

tom:

Intro: ^D ^G ^D

^D
I never get lonely
^D
I get these ghosts to keep me company
^G
I took the rearview off of this old Ford
^G
So I only see in front of me
^D
Now the past is out of sight and out of mind
^G
Swore I changed, now I'm back chasing these white lines ^A

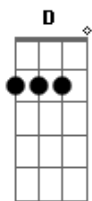

[Refrão]

^A ^D
I'm just a long-haired son of a sinner
^G
Searching for new ways I can get gone
^A
I'm a pedal to the highway
^G ^D
If you ever wonder why we write these songs
^D
'Cause I'm only one drink away from the devil
^G
I'm only one call away from home
^A
Yeah, I'm somewhere in the middle
^A ^G ^D
I guess I'm just a little right and wrong

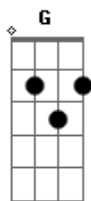

^D
These backroads got me
^D
These pills pretend to be my friend
^G
I'm done for the last time
^G
I'm lying to myself again
^D
I always say that
^D ^G
Now I'm on my way back here somehow
^G
I should know by now
