

# Jennette McCurdy - Me With You

tom:

D

Intro: D

D  
Some people are down and now  
D  
Some people are lonely now  
Bm A  
Some people just need a vacation

D  
Some people can't fight a smile  
D  
For some people it's been a while since  
Bm A  
They had an all night conversation

G  
Since you walked into my life  
Em  
Everything's felt so right

D  
The sun's been shining  
A  
And I've been singing'  
Bm  
This song in my head and it goes  
G  
La la la la la la la  
D  
Nothing but blue sky

A  
When I stare into your eyes  
Bm G  
I get tongue tied everytime you smile  
Em G  
So people don't know what love can do  
D A G  
Well they should see me with you

D  
I remember how we used to be  
D  
I remember how I used to dream  
Bm A  
So along you come along to sweep me off of my feet

G  
Some people say wishes don't come true  
Em

Well I say some wishes do

D  
The sun's been shining  
A  
I've been singing  
Bm  
This song in my head and it goes  
G  
La la la la la la la  
D  
Nothing but blue sky  
A  
And I stare into your eyes  
Bm G  
I get tongue tied everytime you smile  
Em G  
So people don't know what love can do  
D A G  
Well they should see me with you

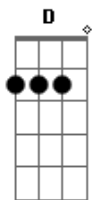

Em G D  
And when they look at us, they can tell we're in love  
A  
Oh, it's so obvious

D  
The sun's been shining  
A  
And I've been singing  
Bm  
This song in my head and it goes  
G  
La la la la la la la  
D  
Nothing but blue sky  
A  
And I stare into your eyes  
Bm G  
I get tongue tied everytime you smile

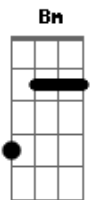

Em G  
So people don't know what love can do  
A  
Ohhhh  
Em G  
So people don't know what love can do  
D A G  
Well they should see me with you

D D  
Ohhhh  
Bm A  
Me with you
